About Immedia Group Plc

Immedia Group is a multi-media content and digital solutions provider to global businesses and organisations, who are investing in internal and/or brand communications.

Our business provides a wide range of 'live' branded channels specifically to retail locations across the UK and Europe with an estimated listening audience of 8.5 million listeners per week.

Immedia's interactive audio channels deliver original and relevant content, via its own DreamStream X platform with encrypted DreamStream technology deployed in each location. Each channel is supported with powerful data analytics tools which monitor audience activity and provide data to enable us to further enhance audience engagement.

Immedia Group also creates original video content, 3D animation, app and web development, as well as supplying and installing Audio Visual equipment.
